

The Woolshed Homestay

Driving directions from Auckland (Approx. 1.5 hours)

Drive south on State Highway 1 (One) for about a distance of 100km, passing through the Bombay Hills which are about 42km south of downtown Auckland, and then pass through the township of Huntly which is at about the 92km mark. At about the 100km mark turn left at Taupiri to leave State Highway 1 and follow the signs to Gordonton & Cambridge

Continue to follow these signs until the end of Church Road where you turn left at the sign to Morrinsville. Then take the third turn to the right, Hiwi Road where there is a sign to Scotsmans Valley Road. Follow the road to the T intersection.

Turn right and travel approx. 4kms, then look out for the Woolshed driveway, numbered 'Corraith' 625 & 627 on your left.

The driveway is marked on either side by two large grey concrete pillars. Drive along the driveway where you'll find 'The Woolshed' which is the second building on your right hidden in behind a large hedge.
